## SLEEP FOR FREE

Why pay for a bed if you can also sleep for free? Many people have a free room for you, or they would love to take you around town as a free guide. Don't worry, the hospitality networks don't (only) consist of some old hippies or sex-obsessed forty-year-olds, but just regular people who love to show the best sides of city life. It could be a great way to meet the locals and see things a tourist guide would never show. However, most people expect that you email them a week or two weeks in advance. So be in time! Check these networks in Brussels:
